### **Tubular Steel Grille Guard**

Give your GL-Class an aggressive look with this rugged stainless steel grill guard. Factory-designed to structurally integrate into the front end of the GL-Class.

Not for GL 550 or vehicles with Premium 1 or 2 Package. Consumers are advised to confirm in advance with the motor vehicle authority in the state where their GL-Class is registered if the grille guard bars comply with license plate-mounting and visibility requirements.

### **Tubular Steel Side Step Bars**

Polished, heavy-duty stainless steel side step bars with integrated rubber-lined stepping areas. | Not for AMG models, AMG bodystyling and vehicles with Side Running Boards. |

*Exterior Appearance***Front Skid Plate / Rear Skid Plate**

Help protect the underside of your GL-Class from road debris and rocks in style with our rugged, exceptionally attractive, polished stainless steel skid plates. Front and rear skid plates sold individually. | Rear Skid Plate not shown. |

Not for GL 550, vehicles with 19" Wheel Package or Off-Road Package.

**Chrome Door Handle Inserts**

Help protect your finish from scratches and add a touch of style with a set of four chrome door handle inserts.

**Side Running Boards**

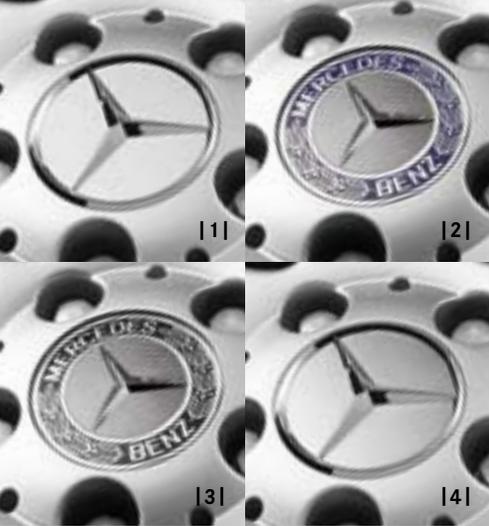

Add a touch of form and function to your GL-Class with our stainless steel running boards. Step surface has a brushed metal appearance dotted with rubber grips which helps prevent slippage. | Not for AMG models, AMG bodystyling and vehicles with Side Step Bars. |

**Mud Flaps**

Designed to match the contours of the GL-Class, these durable, formed black plastic mud flaps will help protect your vehicle and followers from loose road debris, rocks and salty road spray. | Available in pairs for the front and the rear. Front Mud Flaps cannot be fitted with Side Running Board. |

### Wheel Hub Inserts

Add an attractive finishing touch to your wheels with these inserts. Various styles available:

- 1 | Sterling silver with chrome Three-Pointed Star
- 2 | Classic Star & Laurel design in blue
- 3 | Classic Star & Laurel design in black
- 4 | Titanium silver with chrome Three-Pointed Star

### Tire Valve Stem Caps

A perfect finishing touch, these chrome plated valve-stem caps dress-up any wheel. Each a set of four. Available in black, silver or AMG designs.

### Wheel Locks

Wheel locks can provide a subtle yet effective security touch to your GL-Class, helping to protect your light-alloy wheels and tires from theft. One set secures four wheels. Includes coded key.

### Trunk Handle

Made of stainless steel in polished or satin finish, this handle attaches to the license plate and trunk lid to help prevent fingerprints and reduce the possibility of scratching the finish on your GL-Class.

### Trunk Handle with Mercedes-Benz laser-etching

Elegantly laser-etched with the Mercedes-Benz name, it perfectly complements our wide assortment of genuine License Plate Frames. | Not shown |

### License Plate Frames

Choose from several quality stainless steel designs in an assortment of durable finishes to enhance the appearance of your license plates without blocking registration tags. Design styles include: Mercedes-Benz frame, Slimline frame, AMG Logo frame, and Star Marque solid plate. Please see INDEX for finish options for each design.

# MEDIA INTEGRATION

*Your music. Your Mercedes-Benz.*

Taking your personal music collection with you wherever you go has never been easier. Mercedes-Benz now offers seamless integration of your iPod®/iPhone®<sup>1</sup> into the audio system of your GL-Class. With an interface that is compatible with any dock-connector—equipped iPod/iPhone device, your iPod/iPhone charges while connected. Steering wheel controls and a visual display of the track information make your iPod/iPhone a perfect fit with your Mercedes-Benz.

## Media Interface

The Media Interface<sup>2</sup> allows you to connect your audio devices to the universal interface located in the vehicle's glovebox. The Media Interface comes standard with two cables, an iPod connector and a universal AUX input connector. A non iPod USB cable is available at your Mercedes-Benz dealer which will connect select<sup>4</sup> USB sticks or media players with a USB port. The audio output can be selected and controlled through the existing audio system in your vehicle<sup>5</sup>. The current status of your audio device will also be displayed in the vehicle instrument cluster allowing you to keep your attention on the road.

## Mercedes-Benz iPod Integration Kit<sup>3</sup>

The Mercedes-Benz iPod Integration Kit puts the control at your fingertips while playing your favorite music directly from your iPod or iPhone. Additionally your iPod will charge while it's playing. As with the Media Interface, the iPod integration connector is located in the glove compartment, and is compatible with most iPod models.<sup>3</sup>

*Comfortably control your iPod by using your steering wheel buttons:*

- [A] *Navigate within the iPod music menu*
- [B] *Access the Main Menu and control the volume*
- [C] *View the artist and title information displayed in the vehicle's instrument cluster*

## iPod Cradle<sup>3</sup>

This black felt-lined cradle holds your iPod or iPhone in the glove compartment. The soft flocked surface blends perfectly into the glove compartment of your GL-Class and helps to protect your music player from scratches and damage.

<sup>1</sup> iPod and iPhone are registered products of Apple Computer. All iPod and iPhone devices are sold separately. Charging not supported with iPod/iPhone devices which support USB charging only (e.g. iPhone 3G)

<sup>2</sup> Factory option.

<sup>3</sup> The iPod Integration Kit and the iPod Cradle are compatible with dock-connector-equipped iPod/iPhone devices, with the exception of the iPod Shuffle. The iPod Integration Kit does not support telephone functionality of the iPhone. Cradle not for use with the Media Interface.

# MERCEDES-BENZ NAVIGATION MAP UPDATE

*More than a Map.™*

## Navigation Map Update

The Mercedes-Benz Navigation System<sup>6</sup> is a fully integrated system that combines Global Positioning System (GPS) technology with electronic mapping software to help you to plan trips, navigate detours and avoid getting lost. The Global Positioning System (GPS) satellites continuously track your vehicle's location, and rely on accessing the most up-to-date mapping information in order to give you the most accurate and efficient routes.

Notice however, how quickly the surroundings change: roads are added or diverted, restaurants open and close, hotels and hospitals are built, ATMs move. In fact, as much as 20 percent of the navigation data the GPS satellites rely on changes every year. That is why Mercedes-Benz offers reliable, and updated navigation data to help get you where you need to go, effortlessly. The Navigation Map Updates are available for purchase from your authorized Mercedes-Benz dealer.

The system can route you through more than 6.1 million miles of navigable roads in the United States and Canada. Just enter the address on the intelligent destination input screen, and the system takes over, guiding you audibly and with a clear and detailed 7" LCD map display. Do you need an idea where to go? The Navigation System also offers 1.7 million Points of Interest in 40 categories including ATMs, restaurants, hotels, airports, museums and more.

<sup>5</sup> Control of devices connected via the AUX input (non iPod/USB) is limited to volume control.

<sup>6</sup> Navigation system data includes the United States (excluding Alaska) and Canada. Directional assistance provided only when GPS coverage is available. Maps do not cover all areas nor all routes within an area. While the navigation system provides directional assistance, the driver must remain focused on safe driving behavior, including paying attention to traffic and street signs. The driver should utilize the system's audio cues while driving and should only consult the map or verbal displays once the vehicle has been stopped in a safe place. See your authorized Mercedes-Benz dealer for availability and details.

# MERCEDES-BENZ TELE AID

*Connections that drive you.*

## Engineered to keep you connected to your way of life.

Mercedes-Benz Tele Aid is a rich suite of technologically advanced services—built right into your vehicle—that helps you stay in touch on the road so you can make the connections that matter to you. Tele Aid brings you the peace of mind to be able to get the most from your Mercedes-Benz experience, each and every day. Your GL-Class is Tele Aid-ready and only requires a few moments to subscribe for and activate service. Your Mercedes-Benz dealer can get you started through this simple process so Tele Aid is there for you whenever you need it.

*Best of all, your first year's service is included with subscription.<sup>8</sup>*

## Making the connection in your vehicle.

Mercedes-Benz Tele Aid makes connecting easy with three buttons in your vehicle—the SOS, Wrench, and i-Buttons. Simply push the button you need and you will be put in contact with the appropriate Mercedes-Benz Response Personnel or service. The Mercedes-Benz Tele Aid system automatically transmits information about the vehicle and its location.

### 1 | SOS Button

*Push the SOS Button to have us contact emergency services if you need help or see someone that does. Additionally, when an airbag or seatbelt Emergency Tensioning Device is deployed, the vehicle automatically notifies the Tele Aid Response Center.<sup>9</sup> If voice contact cannot be established with you or if you request assistance, emergency services will be notified.*

### 2 | i-Button

*Push the i-Button to get information — about your vehicle's systems, for directions, or to access a range of traffic and destination services. With the Mercedes-Benz Concierge<sup>10</sup> package, the i-Button also connects you to the Mercedes-Benz Concierge, who can assist you by recommending hotels, making reservations, even ordering gifts.*

### 3 | Wrench Button

*Push the Wrench Button for roadside assistance. If you get a flat tire, run out of gas, see a warning light on your dash or for help with other mechanical issues, service personnel can be dispatched to assist.<sup>11</sup>*

# SEARCH & SEND

*Internet convenience meets engineering excellence.*

Mercedes-Benz Search & Send<sup>7</sup> is a new and convenient way to plan your trip destinations ahead of time. Using familiar Yahoo!® Local Maps and Google™ Maps web sites, you can search for a destination online, then send it right to your Mercedes-Benz.

Once you are in your vehicle, simply push the i-Button and your destination will be downloaded directly to the vehicle's navigation system. You will be prompted to either start route guidance immediately, or save the information for later use in your navigation memory. Instead of spending time inputting data into your navigation system, your destinations will be available whenever you need them.

<sup>7</sup> Mercedes-Benz USA, LLC makes no representations or warranties as to the completeness or accuracy of the points of information provided by Google and Yahoo! Maps via the Send to Car Service and assumes no responsibility for any loss or delay incurred by a user of the service.

<sup>8</sup> First year's Mercedes-Benz Tele Aid Package provided at no additional cost. Mercedes-Benz Concierge is available at additional cost. Subscription Agreement required for system to be active. Service operates only when cellular and Global Positioning System coverage is available.

<sup>9</sup> Service operates only where cellular and Global Positioning Satellite system coverage are available.

<sup>10</sup> Concierge service available only in Mercedes-Benz Concierge Package. Route Assistance use included as part of Mercedes-Benz Concierge Package. Additional per use charge applies when used with Tele Aid Package. See your dealer for details.

<sup>11</sup> Roadside Assistance repairs may involve charges for parts, service and towing. Vehicle must be accessible from main roads. Depending on the circumstance, these services may be provided from an outside service, courtesy of Mercedes-Benz Roadside Assistance. Every attempt will be made to assist a customer, however, circumstances such as restricted roadways, acts of nature, and vehicle accessibility may limit our ability to provide services to you. For full details of Sign and Drive services, as well as the Roadside Assistance Program, please see your dealer.

## REAR-SEAT ENTERTAINMENT SYSTEM

*Being a passenger has never been so entertaining.*

Who's riding in your back seat? Your kids' favorite superhero, a dashing leading man, or maybe it's your favorite comedienne? With the Mercedes-Benz Rear-Seat Entertainment System, you can bring along your favorite DVDs and your back seat becomes your own personal movie theater. Your passengers are entertained and because DVD audio plays over wireless headsets, the driver can concentrate on driving with fewer distractions.

*The Mercedes-Benz Entertainment System includes:*

- ▶ Two high-resolution 8" LCD color display monitors that are conveniently mounted behind the headrests
- ▶ Two high-quality wireless headsets for tangle-free operation and easy storage
- ▶ One remote control that can operate both monitors
- ▶ 3 Auxiliary jack enables the use of gaming devices (gaming hardware not included)
- ▶ COMAND DVD player and other sources (Media Interface, Satellite Radio, Radio, CD/DVD) can be selected from each screen separately

| SMALL |

| MEDIUM |

#### Roof Cargo Containers

Create additional space for sports equipment and luggage with one of our aerodynamic, high-quality roof containers designed to nicely complement your GL-Class. Constructed of lightweight, yet exceptionally durable, impact-tested thermoplastic material. Features pressurized struts for easy lid operation and a security lock. Comes in silver finish.

Small model holds 11.5 cubic feet. Medium model holds 14 cubic feet. Large model holds 16 cubic feet. All models have a maximum load capacity of 110 lbs. Requires Roof Rack Basic Carrier (sold separately).

#### Storage Bag

| for Roof Rack Basic Carrier or Crossbar |

Protect your Roof Rack Basic Carrier in this nylon bag when not attached to your GL-Class. Also suitable for Crossbar.

Storage bag cannot accommodate both Roof Rack Basic Carrier and Crossbar simultaneously.

#### Ski & Snowboard Rack—Deluxe

| for Crossbar or Roof Rack Basic Carrier |

This rack holds up to six pairs of skis or four snowboards and features a pull-out function that makes it easier for loading and unloading without the need to reach across the roof of the car. Requires Roof Rack Basic Carrier or Crossbar (sold separately).

For vehicles with Crossbars the "Ski & Snowboard Rack—Deluxe" requires adapter.

#### Ski & Snowboard Rack—Standard

| for Crossbar or Roof Rack Basic Carrier |

This rack is made to tote up to four pairs of skis or two snowboards atop your GL-Class. Requires Roof Rack Basic Carrier (sold separately) which can accommodate two Ski & Snowboard Racks. | Not shown |

#### Crossbar | for Ski & Snowboard Rack and Roof Cargo Containers |

The elegant design of this Crossbar makes it a visually appealing alternative to the Roof Rack Basic Carrier. It is an essential component for attaching a wide assortment of items to the top of your vehicle. You can securely attach and lock a Cargo Container or a Ski & Snowboard Rack (sold separately). Available in black or chrome. | Set of 2 |

#### Bicycle Rack | for Roof Rack Basic Carrier |

This rack securely holds a single bicycle and attaches to the Roof Rack Basic Carrier (sold separately). Up to three bicycle racks may be supported on the Roof Rack Basic Carrier.

*The loaded bicycle rack can be pivoted downwards, allowing the rear hatch to be opened.*

#### Hitch-Mounted Bicycle Rack

This bicycle rack includes numerous updated design features to keep one or two bikes secure without causing damage to your GL-Class. One innovative feature allows secured bicycles to pivot for cargo area access (pictured). Requires Trailer Hitch (sold separately).

Not for vehicles with Parktronic (audio-visual parking assistance system). Bicycle rack not intended for driving when horizontally pivoted.

#### Hitch-Mounted Bicycle Rack Extension Kit

Allows a third bicycle to be mounted to the pre-existing Mercedes-Benz bicycle rack. | Not shown |

#### **Cargo Area Tray & Cargo Box**

Protect the cargo area of your GL-Class with this large tray with 2" sides. Formed from durable, easy-to-clean plastic to fit your vehicle. Use optional cargo box to support and keep in place tall objects, such as grocery bags. Cargo box sold separately.

#### **Collapsible Shopping Crate**

Make your next trip to the market more convenient with this collapsible shopping crate. To save space, it folds flat when not in use. Dimensions folded: 2 x 13 x 18".

#### **Reversible Cargo Mat**

This mat performs two functions: to protect the interior carpet of your GL-Class with a smooth soft fabric side and to prevent cargo from sliding with the rubberized side. Includes removable loading sill protector extension. Constructed of highly durable polyester.

### Cargo Nets, Floor/Rear

Versatile and convenient, strong and durable nylonnets help you to secure objects in the back of your GL-Class. Rear net may be attached to the loading sill. Each net is sold separately. | Cargo Net, Rear not shown |

### Cargo Divider Net

Separate the passenger and cargo areas of your GL-Class with this sturdy yet light-weight net. Easily installed or removed, and fits neatly behind the front or second-row seats. Not available for GL550 or vehicles with Premium 1 or 2 Package.

### Battery Trickle Charger

For those extended periods when your GL-Class will not be used, this charging device will help ensure that your battery is fully energized when you need it.

### All-Season Floor Mats Extreme

Rugged and durable, these Honeycomb-Style Mats are custom-designed to provide the ultimate protection for your vehicle interior. Built from hard-wearing rubber, their robust construction provides the ideal combination of style and functionality. Available in black only. | Not shown |

### All-Season Floor Mat Set

These custom-designed rubber floor mats are a great way to keep the carpet in your GL-Class in top condition. Deep channels trap water, mud and melting snow. Easy to clean. Available in black. Set includes four mats for front and middle row seats. Set of two for 3rd row seats sold separately.

### All-Season Floor Mats Exclusive

An alternative style to our custom rubber mats, the exclusive design has a textile pattern embedded in the appearance. The exclusive mats still provides the exceptional protection you need for your vehicles interior. Available in black only. Third row mat available separately. | Not shown |

### All-Weather Floor Liners

Designed specifically to match the precise contours of the floor of your GL-Class, these quality flexible plastic floor liners feature high sides to contain dirt and liquids for the best possible carpet protection. Available in black, grey and beige. Set includes four tailored floor liners for front and middle row seats. Set of two for 3rd row seats sold separately.

**BabySafe Plus Infant Seat  
(up to 29 lbs.)**

Deep, molded rear-facing seat design provides extra protection and padding designed to help protect very young children up to 29 lbs. or 31 in. long. Features integrated head support, adjustable sun/wind canopy, comfortable 3-position carry handle, and variable recline angle adjustment. Light grey fabric cover is removable for washing. Can be used in the vehicle with or without the base. Approved for use in commercial aircraft. Weighs less than 8 lbs. This seat is LATCH<sup>12</sup> and BabySmart<sup>12</sup> compatible with provided LATCH belt<sup>12</sup>.

**DUO Plus Toddler  
Seat (20-40 lbs.)**

Designed to afford excellent protection for children approximately 1 to 4 years of age. Features include single-handed adjustment to change from the upright position to the reclined and sleeping positions, height-adjustable shoulder belt, back area ventilation channels, and an additional tether for securing the head section. Fabric cover is removable for washing. This seat is LATCH<sup>12</sup> and BabySmart<sup>12</sup> compatible.

**KID Booster Seat  
(40-79 lbs.)**

Any child who has outgrown the Toddler seat should be properly secured in a booster seat until he or she is at least 57" tall. KID Booster seat features a height and angle-adjustable backrest and headrests that can be positioned for comfort. Integrated belt guides on the sides help to keep the lap belt from sliding over the child's abdomen where it could cause injury in an accident. Fabric cover is removable for washing. This seat is BabySmart<sup>12</sup> compatible.

<sup>12</sup> Please consult your owner's manual or dealer for proper installation of your child seat.

*BabySmart/OCS Safety Information: Most Mercedes-Benz vehicles from MY 1998 through 2003, select models from 2004 through 2006, and current G-Class vehicles are equipped with BabySmart™. Mercedes-Benz vehicles equipped with BabySmart™ have a device that recognizes the presence of BabySmart™-equipped child seat when properly installed in the front passenger seat and deactivates the passenger front air bag (check your vehicle's Operator's Manual or labels located on the sides of your dashboard to verify).*

*All current Mercedes-Benz models are equipped with the Occupant Classification System (OCS) (with exception of the G-Class) which is designed to turn off the front passenger's front airbag when the system senses the weight of a typical child 12 months old or less plus the weight of a standard child restraint. See vehicle's operators manual for important additional information on this system and further information regarding the transportation of children heavier than a typical 12 month old.*

*All Mercedes-Benz child safety seats meet or exceed U.S. Department of Transportation standards. They are also suitable for use in older vehicles that do not have integrated LATCH (Lower Anchors and Tethers for Children) attachment points. Visit the National Highway Traffic Safety Administration's website at <http://www.NHTSA.gov> for additional information about child safety seat laws and proper use.*

All illustrations and specifications contained in this brochure are based on the latest product information available at the time of publication. Actual product offerings may vary from those shown or may be subject to availability delays or discontinuance. Mercedes-Benz reserves the right to make changes at any time, without notice, in colors, materials, equipment, specifications and models. Any variations in colors shown are due to reproduction variations of the printing process. Illustrations may include test situations. Some vehicles may be shown with non-U.S. equipment. Vehicles are shown with optional equipment.

Unsecured cargo can become hazardous in a collision. Always secure cargo using the floor-mounted tie-down hooks. Cargo nets and organizers are not intended to prevent objects of excessive weight and bulk from sliding or rolling in the event of a collision or sudden stop. Always drive with caution when driving with cargo.

Certain accessories may require professional installation and/or additional components to complete the installation in your vehicle. Please consult your authorized Mercedes-Benz dealer for specific information about automotive accessories. Speak with a representative at your local authorized Mercedes-Benz dealership for current pricing on Genuine Mercedes-Benz Accessories.
